

The Fraser Coast's Ultimate *hook up!*

The Fraser Coast waterways, including Hervey Bay, The Great Sandy Strait and Southern Great barrier Reef, offers world-class fishing opportunities. The maze of creeks and rivers, inshore islands, vast sand flats, deep and artificial reefs deliver one of the most diverse fisheries in Australia, with an overlap of both northern and southern species. A number of Australia's most iconic fish are caught in these waters including the famous Black Marlin, Tuna, Sailfish, Cobia, Spanish Mackrel and more.
